

Surprise Music and Lyrics by James Shiels, Jordan Janzen, Bryan Fowler
(Played on guitar Capo 1st fret key of G#)

[VERSE 1]

D
Look at the stars hung in the sky
G
Who put them there? Who gives them light?
D
No ocean deep could hold His grace
G
Follow His lead and He'll make a way

[PRE CHORUS]

D
He broke the fall when he rose from the grave
G
He changed it all in a matter of days
D
No matter how great the problem we face
G
We gotta remember, He stays the same

[CHORUS]

D
When you just can't face tomorrow
G
When you're down deep in the sorrow
Bm
When your faith is on the edge
Don't be afraid to step
G
'Cause even if you fail to fly
He'll catch you by surprise

[VERSE 2]

G
Don't be afraid, stand on your feet
D
His hands of love hold everything
G
All that we know can't comprehend
D
His perfect will and His perfect plan

[CHORUS]

[BRIDGE]

A

When you're fading in the fight

Bm

He'll catch you by surprise

G

Ooh

And He won't let go

A

He will turn the dark to light

Bm

Right before your eyes

G

Ooh

And He won't let go

[CHORUS]
